## 2010 CALL FOR ENTRIES

Cherry Creek Arts Festival announces 2010 Call for Entries: Professional Visual Artists and Emerging Artists

DENVER, CO, October 1, 2009 – Professional visual artists and emerging artists are invited to apply for jury selection into the 20th Anniversary Cherry Creek Arts Festival (CCAF), July 3, 4, 5, 2010. The application process is October 1 to December 1, 2009 (Midnight MST.) Prospectus and application are available at <http://www.Zapplication.org>, where artists create an online artist profile, prepare and upload images, and complete the online application. 230 visual artists will be selected during the 2010 artist jury process, which will be held in December and results will be released January 8, 2010.

Visual artists are invited to find out first-hand the accolades as touted by fellow visual artists: historically very high art sales potential (estimated \$2.3 million in sales for 2009 artists), consistently high national rankings and famous on-site artist amenities and hospitality. Higher than average sales are attributed to the event's location in the heart of Denver's beautiful and affluent district of Cherry Creek North, an educated art-buying audience of 350,000 annually, and a \$900,000+ multi-media marketing campaign. The visual artists' success is both the core value and measurement of success for the Cherry Creek Arts Festival.

CCAF also announces the 2010 Emerging Artist Program: This is an extraordinary opportunity for artists with very little, if any, experience exhibiting and selling their work. Emerging Artists apply in the same manner as professional artists and submit their artwork through the category, "Emerging Artist".
